ABOUT THE EVENT

The main aim of the event is to test the logical reasoning, application of knowledge and a basic understanding of mathematics, science as well as general knowledge of the participants.

ABOUT THE TEAM FORMATION

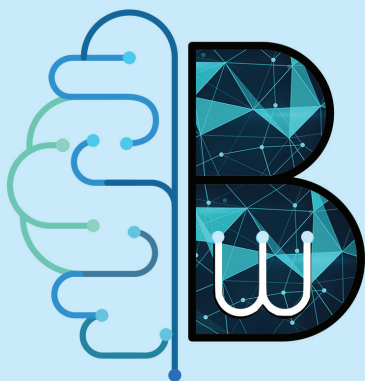

- Students from class 8th to 12th can participate in the event from any recognized school.
- A team of either 3 or 4 members can be formed and all the members of the team should be of the same school.
- There can be multiple teams from a single school.
- The participants must bring their school identity card or any other identity proof from the school.
- The event will be conducted in offline mode.
- All the questions, as well as other instructions, will be given in English only.
- No participant can be replaced once the registration is done.

The event will be conducted in 3 rounds.

Round 1

- This will be a qualifying round and is aimed at testing the logical aptitude of participants.
- It will be a pen-paper round.
- Each team needs to answer the questions on a sheet of paper given during the event.
- The questions of this round will be inter-connected and the questions should be answered in the given order only.
- There will be a surprise sub-round.

Round 2

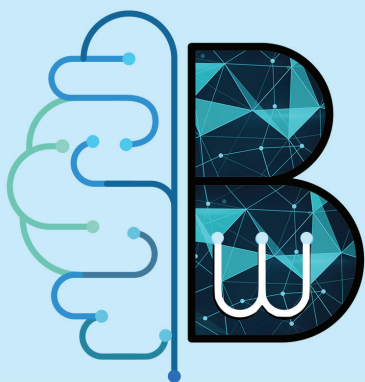

- Each team needs to choose one genre out of 8 given by the organizers during the event.
- 5 questions will be asked from the selected genre to each respective team.
- This will be followed by a surprise sub-round.

Round 3

- Selected top 4 teams will be participating in this round.
- This will be a BUZZER ROUND.
- The team who presses the buzzer first needs to answer the question.

MARKING SCHEME

- The first two rounds will be elimination rounds and the teams need to qualify both the rounds to participate in the final round.
- The marking schemes of all the rounds will be announced during the event only.

NOTE

- No specific preparation is needed for participating in the event, though the basic knowledge of mathematics and science would be required along with general knowledge.
- The rules and formats of all the rounds will be told during the event.
- No specific materials are required to bring along except the school
